

## LEARN WITH US

### Functional Skills - Maths

#### What will you learn?

These qualifications are designed to develop your ability to use maths for analysing calculations, solving problems and interpreting data to understand real world situations.

#### When can you start?

You can enrol whenever it suits you. We offer flexible start dates for this course.

#### Who can take this course?

Anyone who has not previously achieved a GCSE grade A\*-C or grade 9-4 in maths.

#### What will it cost?

Maths, up to and including Level 2, will be fully funded by the UK Government for individuals aged 19 and over, who have not previously achieved a GCSE grade A\*-C or grade 9-4.
